# EXPOSPORTS 2025

The ExpoSports 2025 is the preliminary step to the Zurich Marató de Barcelona. The fair will take place in the Pavelló 2 of Fira de Barcelona.

Access to ExpoSports is FREE, so runners will be able to attend with their family, friends and training partners, even if they are not participating in the race.

The best meeting point for runners, brands and sports enthusiasts.

The perfect opportunity to showcase products and innovations in the sector.

AVAILABLE

# ASSEMBLY RULES

- Structures must have their corresponding stabilisation elements, whether ballast or other, depending on the type of element.
- For complex assemblies, the exhibitor must submit the project documentation to the organisers for approval in accordance with Fira de Barcelona's normatVAT.
- Stands with different heights must have structural elements to provide accessibility for people with reduced mobility.
- Internet service can only be provided by the organisers.
- Vehicles not belonging to the organisers are prohibited from parking on the fairgrounds during the entire event.

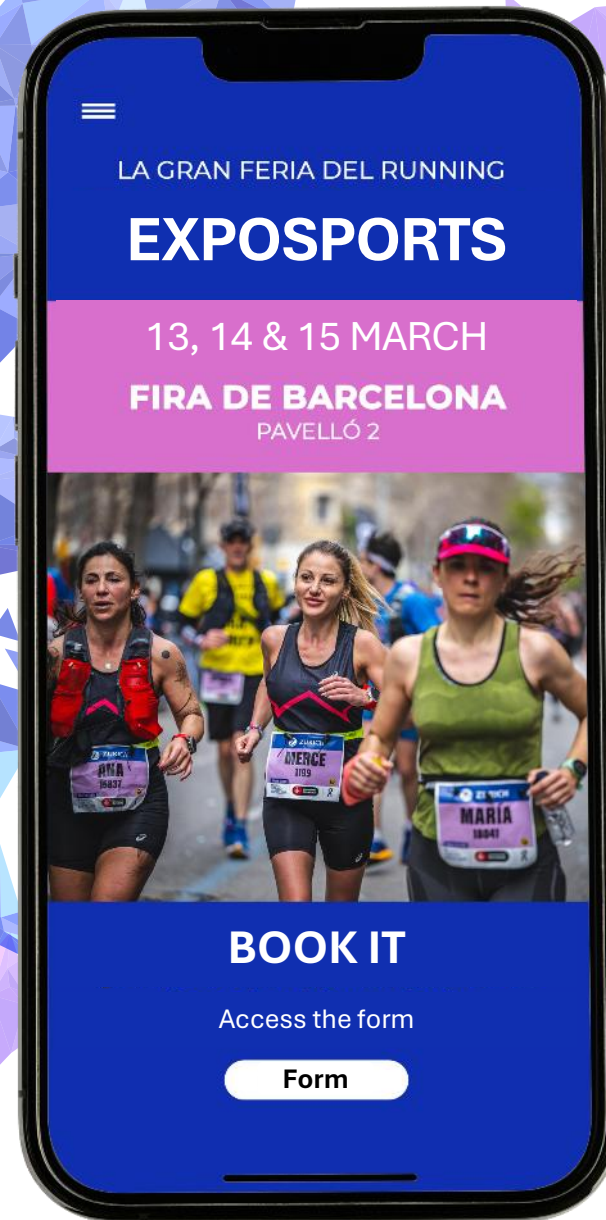

# INFORMACIÓN GENERAL

- Exhibitors may start setting up their stand on Wednesday 12 March.
- No assembly will be permitted after 14 March at 14:00
- Each exhibitor is responsible for the reception of his own material. There is no warehouse or delivery centre.
- Dismantling will begin as soon as the Expo ends on Saturday at 20h.
- As far as possible, the materials used in the construction and decoration of the stand must be flame retardant.
- The construction must day and comply with the building's safety and evacuation regulations and, if necessary, follow the instructions given by the safety officer.
- The organizer shall not be responsible for security, and each exhibitor shall be responsible for the safekeeping and security of his or her belongings. However, the exhibition space will be closed to the public on each day of the exhibition from 21:00h (closing time) until 09:00h the following day, and will be duly guarded by Fira de Barcelona security guards.
- The exhibition and sale of products is limited to the commercial activity of the contracting company, and the subcontracting of the contracted spaces to third parties is strictly forbidden. If this commitment is not fulfilled, the organizers reserve the right to request the withdrawal of the stand, and if this is not done, the organizers may do so, charging the costs incurred for the withdrawal to the exhibitor.
- Exhibitors may not paste, place or display advertisements anywhere on the site, except on their stand. Likewise, he may only distribute advertising from his own stand and only in relation to his own goods.
- Advertising for certain products is regulated, so the exhibitor shall be solely responsible for compliance with the applicable normat VAT on advertising, and RPM shall be exempt in all cases.
- Exhibitors shall ensure that their stand is open to the public and duly attended during the entire duration of the fair. Otherwise, the organizers reserve the right to close the stand.
- At least 1 month in advance of the event, the design of the space must be reported, sending plans, images and any other descriptive documents. It is emphasized that the possible installation of structural elements must be reported.
- Exhibitors must comply with the accreditation and business activity coordination protocols, as well as with the rules established by those responsible for the organization.
- In the event of full capacity being reached, the organizers will draw up a waiting list which will be governed by strict order of entry of applications.
- These conditions are subject to Spanish law, the parties agree that any litigious matter will be resolved by the courts of Barcelona city.
- The signatories of the reservation document declare, by their signature, to be aware of the aspects and conditions of the collaboration, as well as to accept and agree to them.
- The organization reserves the right to reserve the right to make any possible extensions of electrical sockets and internet needs available at least one month in advance.
